

IAT is an independent services company. With about 100 employees in Berlin and Stuttgart, we are one of the largest supplier of simulation services in the field of automotive safety. We closely collaborate with well-known car manufacturers, suppliers and developers on the design of occupant safety systems.

For our IT Operations Team in Berlin, we are looking for an

IT SYSTEM ADMINISTRATOR (M/W/D)

to start asap.

The IT Operations Team is in charge of all IT facilities, including servers (Linux + AD), simulation clusters, office and home workstations (mostly Windows), and network services. This includes centralised services like software deployment, intranet, email, data storage, backup, and more. IAT is ISO 9001 and ISO 27001 certified. Adherence to, and improvement of, our our IT security and quality standards is of particular importance to us.

Your responsibilities

- server administration and management (Linux, Active Directory)
- ongoing augmentation and continuous improvement of our existing IT infrastructure
- maintenance and administration of our virtualisation environment (VM Ware)
- development and implementation of IT solutions in complex network environments
- administration of Office 365
- reliable and competent IT support for all staff and projects

Required skills & knowledge

- excellent knowledge of Linux systems administration and tools
- excellent knowledge of Windows 10 Pro
- familiarity with Windows Server and Active Directory
- Power Shell proficiency would be highly regarded
- proficient written and spoken English
- German language skills would be advantageous
- team player, good communication skills
- ability to work self-directedly, in loose coordination with your team
- flexibility, versatility, and a focus on documentation

We offer

- modern, well-equipped workplace
- pleasant working atmosphere with highly motivated and competent colleagues

- opportunities for development
- flexibility with working hours and work/life balance, home office

If you are interested and ready to start soon, please email your complete application details to:
